Frequently Asked Questions (FAQs)

Q1: What is an Electronic Funds Transfer (EFT)?

A1: An electronic funds transfer (EFT) is a digital transfer of money that occurs through an online payment system.

Q2: What are the Benefits of EFT?

A2: VA CCN and TRICARE payments are received faster because EFT transmits the money directly into your bank account. You will no longer be affected by mail delays. Not having to go to the bank to physically deposit checks gives you valuable time back to your day.

Q3: Are Electronic Funds Transfers safe?

A3: A key feature of EFT is its security. While there is always some degree of risk involved in digital transfers of money, EFT is typically regarded as a safer method of payment than the traditional paper check.

Q4: Are there any fees to sign up?

A4: There are no fees to sign up for EFT. We do encourage you to check with your bank to determine if they apply any fees to EFT.

Q5: After I submit my application, how soon will I receive my VA CCN or TRICARE payments through EFT?

A5: Valid electronic form submissions through the Availity provider portal take approximately fifteen (15) days from receipt to electronic check issuance.

Valid PDF form submissions received via mail or fax take approximately thirty (30) days from receipt to validation. Additional documentation will be required before enrollment can be completed in full. See Q6.

Q6: What happens after I submit my EFT enrollment form?

A6: Please be aware the requirements for electronic submissions and PDF submissions differ, as outlined below.

- Electronic enrollment submissions that are valid and complete will be reviewed and processed within approximately fifteen (15) days. Notification will be sent if there are any errors in your submission. After the EFT application is processed in full, it takes seven (7) days for EFT to begin. In the interim, payments will continue via paper checks.
- PDF enrollment submissions that are valid and complete will be reviewed within approximately thirty (30) days. Notification will be sent if there are any errors in your submission. If the submission is valid and complete, an affidavit form will be mailed to the address on the enrollment form. The affidavit must be completed and returned to finalize EFT enrollment. After the EFT application is processed in full, it takes seven (7) days for EFT to begin. In the interim, payments will continue via paper checks.

Q7: How do I change or cancel EFT?

A7: You, or an employee with **signature authority**, will need to submit a new EFT Authorization Agreement form with the updated information. Signature authority means the individual is permitted to disburse funds, sign checks, and add, modify, or terminate bank account information.

Q8: I submit VA CCN or TRICARE claims for multiple providers. Can multiple providers be included in EFT enrollment?

A8: Yes. PGBA processes EFT payments based on NPI. Payment for all locations under the registered NPI will be transmitted to the financial institution transit/routing and account number indicated on the EFT Authorization Agreement. If a specific location requires payment to a different account, it must have a different NPI, **and** you must submit a separate EFT Authorization Agreement form.

Q9: How will I know when my EFT application has been processed?

A9: You will receive an EFT notification letter through postal mail. If you receive an EFT notification and you didn't submit an EFT request, please notify us right away by contacting **PGBA Help Desk at 800-259-0264 and follow the prompts.**

Q10: Why was my EFT application returned?

A10: Although these instances are rare, EFT applications are returned when there is incomplete or missing information. Applications can be re-submitted with the required information. Due to the sensitive nature of financial information, complete and accurate information must be received in writing.

Q11: Why are there two separate enrollment forms for EFT and ERA?

A11: The EFT Authorization form allows payments to be electronically transmitted directly into your bank account. When you sign up for EFT, you will no longer receive postal remits. You will be able to view online remits at Availity.com and/or receive Electronic Remittance Advice (ERA). To receive ERA, you must complete an ERA application separately because EFT and ERA serve different purposes and have different requirements.

How a provider chooses to receive their remits is often a matter of personal preference. If you enroll in EFT, you will need to consider which method of remittance works best for you, as there are multiple options – Electronic Remittance Advice, Availity web portal PDFs, or (upon request) Paper Remittance Advice via mailing.

- If you prefer ERA, you must complete the ERA form - include your vendor or clearinghouse information and retrieve remits by following their process.
- If you prefer to view your remits in Adobe PDF format on Availity's web portal, no ERA enrollment is necessary. Simply login to Availity.com for transaction enrollment.

Please contact the **PGBA EDI Help Desk at 800-259-0264, and follow the prompts**, if you have any questions regarding ERA enrollment.
