Frequently Asked Questions (FAQ)

Q1: What is an Electronic Funds Transfer (EFT)?

A1: EFT is a digital transfer of money that occurs through an online payment system.

Q2: What are the benefits of EFT?

A2: TRICARE payments are received faster because EFT transmits the money directly into your bank account. You will no longer be affected by mail delays. Not having to go to the bank to physically deposit checks also gives you valuable time back to your day.

Q3: Are Electronic Funds Transfers safe?

A3: A key feature of EFT is its security. While there is always some degree of risk involved in digital transfers of money, EFT is typically regarded a safer method of payment than the traditional paper check.

Q4: Are there any fees to sign up?

A4: There are no fees to sign up for EFT. We do encourage you to check with your bank to determine if they apply any fees to EFT.

Q5: After I submit my application, how soon will I receive my TRICARE payments through EFT?

A5: It takes approximately thirty (30) days to receive and process EFT requests. After your EFT application is processed, it takes seven (7) days for EFT to begin. You will continue to receive paper checks in the interim.

Q6: How do I change or cancel EFT?

A6: You, or an employee with signature authority, will need to submit a new EFT Authorization Agreement form with the updated information. Signature authority means the individual is permitted to disburse funds, sign checks, and add, modify, or terminate bank account information.

Q7: I submit TRICARE claims for multiple providers. Can multiple providers be included in EFT enrollment?

A7: Yes. PGBA processes EFT payments based on NPI. Payment for all locations under the registered NPI will be transmitted to the financial institution transit/routing and account number indicated on the EFT Authorization Agreement. If a specific location requires payment to a different account, it must have a different NPI and you must submit a separate EFT Authorization Agreement form.

Q8: How will I know when my EFT application has been processed?

A8: You will receive an EFT notification letter through postal mail. If you receive an EFT notification and you didn't submit an EFT request, please notify us right away by contacting **PGBA EFT Help Desk at (800) 259-0264**.

Q9: Why was my EFT application returned?

A9: Although these instances are rare, EFT applications are returned when there is incomplete or missing information. Applications can be re-submitted with the required information. Due to the sensitive nature of financial information, complete and accurate information must be received in writing.

Q10: Why are there two separate enrollment forms for EFT and ERA?

A10: The EFT Authorization form allows payments to be electronically transmitted directly into your bank account. When you sign up for EFT, you will no longer receive postal remits. You will be able to view online remits at HumanaMilitary.com and/or receive ERA. To receive ERA, you must complete an ERA application separately because EFT and ERA serve different purposes and have different requirements.

How a provider chooses to receive their remits is often a matter of personal preference. If you enroll in EFT, you will need to consider which method of remittance works best for you – ERA or through HumanaMilitary.com.

- If you prefer ERA, you must complete the ERA form - include your vendor or clearinghouse information and retrieve remits by following their process.
- To view your remits as PDFs on self-service, no ERA enrollment is needed. Just log in to HumanaMilitary.com to enroll for transactions.

Please contact the PGBA EDI Help Desk at (800) 259-0264, if you have any questions regarding ERA enrollment or email EDI.TRICARE@PGBA.com.
