

TRANSFER OF OWNERSHIP - INSTRUCTIONS

To transfer the ownership of an Office Ally account, we require the current owner to submit a **Transfer of Ownership Letter** (page 2) authorizing the transfer as well as pay all balances due on the account. In addition, the new owner must complete a **Transfer of Ownership Enrollment Form** (page 3), **Transfer of Ownership Authorization Sheet** (page 4), and **the required agreement forms for any Add-On Service(s) they want to keep active on the account** (if any).

When transferring ownership, usernames cannot be changed and claims/transactions cannot be transferred between usernames. To be assigned a new username, the current account must be closed, and a new account opened by the new owner. Please allow at least 48 hours for this request to be completed.

Note: In order to transfer ownership of an account, any past due balances must be paid in full.
