

# SUBMITTING ATTACHMENTS (WORKERS COMP CLAIMS)

## STEP 1 – SUBMIT THE CLAIM

To submit attachments for Workers Comp claims, users must first submit the Workers Comp claim through Office Ally.

The claim must contain the following information:

- Accident Date (Box 15)
- Authorization Number (Box 23)

Click [here](#) for Workers Comp Payer List.

Once the user submits the Workers Comp claim through Office Ally, they must then wait for the processing cycle to complete. Please note, claims and attachments cannot be submitted at the same time.

Once the claim processes, you can use the assigned Claim ID (sent back on a report) to find the claim in the Attachments tool.

If you are new to submitting attachments through Office Ally and you do not see the Attachments link in the Service Center, please contact Customer Service at (360) 975-7000 Option 1 to have that activated.

## STEP 2 – SUBMIT THE ATTACHMENT

Hover over **Attachments** and click on **Claim Search**. By clicking on **Claim Search**, you can search for claims submitted to Workers Comp payers through Office Ally.

The **Claim Search** screen will appear.

The filters include 'Select Payer' (set to 'All Payers'), 'Date Type' (radio buttons for 'DOS', 'Upload', 'Processed', 'None'), 'Form Type' (radio buttons for 'HCFA', 'UB04'), 'From Date' and 'To Date' (date pickers), 'Type of Attachment' (dropdown menu), and 'Status' (dropdown menu). There is also a 'Sort By' dropdown. Below the filters are input fields for 'Master Vendor', 'State License ID', 'Patient Name' (with 'L' and 'F' checkboxes), 'Patient Acct Num', 'File ID', and 'Claim ID'. A 'Search' button is located at the bottom right of the search area.

The only required field within **Claim Search** is the **From Date**.

If you have the Office Ally Claim ID assigned to your Workers Comp claim, you can enter that into the **Claim ID** field.

Apart from being able to locate the claim by the Office Ally Claim ID, you also have the option to search by:

- Payer
- Provider Tax ID (Master Vendor)
- Patient Name
- Patient Account Number
- Office Ally File ID

Once you've entered your search criteria, click the **Search** button. The results will be returned below the search tool:
